Dear Paul:

We are working to revise our draft reclamation cost estimates based on comments received in January 2016 from the Utah Division of Oil, Gas and Mining. Responding thoroughly to your comments is taking longer than we had hoped and we would like to request a time extension for submittal of the next draft of reclamation cost estimates for the following five mines:

- La Sal/Snowball Mine (M/037/0026)
- Pandora Mine (M/037/0012)
- Rim-Columbus Mine (M/037/0006)
- Energy Queen Mine (M/037/0043)
- Daneros Mine (S/037/0121)

Instead of submitting them on February 12, as was requested in your letters, we propose to submit them February 26, 2016.

Please let us know if this time extension is acceptable.

Sincerely,

A handwritten signature in blue ink that reads 'Andrea Reither'.
